

COUTTS LONDON JEWELLERY WEEK

The City Fringe Partnership is pleased to announce a new Small Grants Programme is to be introduced for those participants wishing to take part in Coutts London Jewellery Week.

The scheme will offer a means for emerging talent in the capital to host events at this year's inaugural celebration of London jewellery. Applications for grants are invited from London-based jewellery designers, designer-makers, retailers and manufacturers requiring funds to stage their event during the Week.

Participants can apply individually or as part of a coordinated event, e.g. Open Studios at Cockpit Arts. Individual organisations and businesses may apply for up to £1000 worth of funds; two to five participants wishing to collaborate to organise an event are eligible for a grant of up to £2,500; and larger grants are available for more than five participants (although the overall size of the fund is limited).

To apply, please download the application form, guidance notes and application spreadsheet from the jewellery page of the CFP website (www.cityfringe.org.uk), or contact Erin Bunting on 020 7749 4763 (erin.bunting@cityfringe.org.uk).
